

Jimmy when Crake used
that one photo of Oryx as
a gateway:

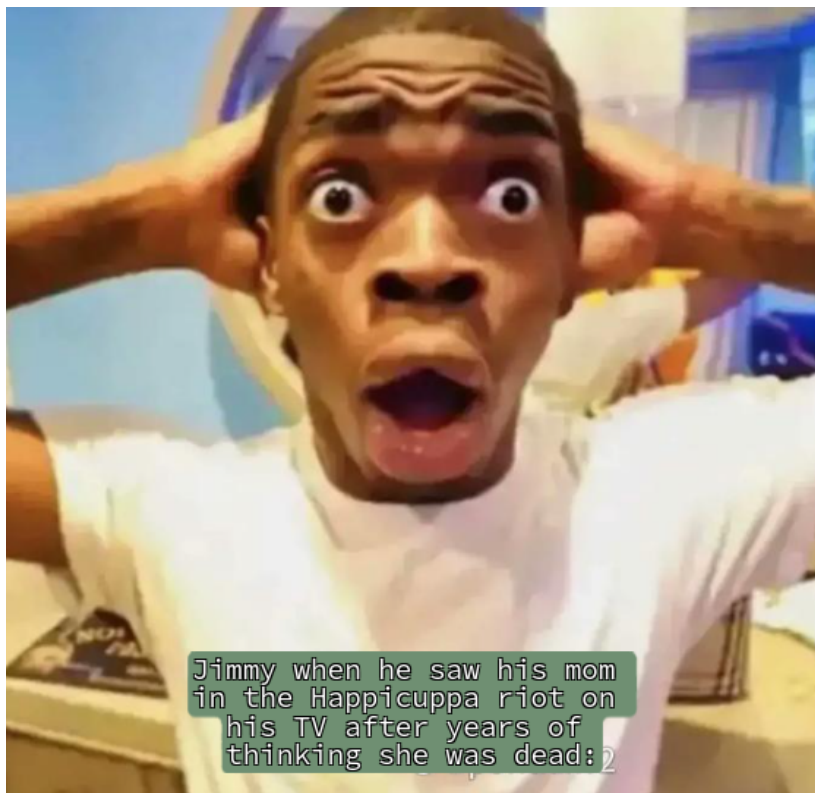

Alex the Parrot was the subject of an experiment for 30 years at Harvard. During this time, he was confirmed to have learned over 100 words, could add, and identify colors. His last words to his caretaker were: "You be good. See you tomorrow. I love you."

Jimmy:

It's enough to make a grown man cry.

These are the Oryx and Crake memes. There are 7 in total. I am writing this to fulfill the 20 word minimum requirement for this to be submitted to Turnitin.
